EPISODE 60132 JAMIE & GREG

Jamie and Greg spent two years searching for their dream home. Now caring for two kids, stay at home dad Greg has had it with the home's lack of function. Jamie on the other hand doesn't think they have time to invest in finding a home as good as their current bungalow. Will realtor David find them a family ready home that gives them family sized function without the head-aches, or will designer Hilary make daily life immeasurably easier by reinventing many of the home's hotly debated spaces?
