VACATION HOMES

EPISODE 112 JUDE & PETE

When Pete bought his uncle's simple, run-down A-frame cabin, he saw it as nothing more than a base from which he could ski, hike and bike through the beautiful wilderness surrounding Whistler, BC. But since marrying him ten years ago, "Pete's Place" is anything but a vacation paradise for Jude. She's had it with the cabin's awkward kitchen, treacherous staircase and bare-bones bathroom. Never mind the unwelcome tenants taking over the crawlspace… With unexpected expenses plaguing the reno and Pete staunchly stuck on staying close to his mountain, can Designer Dan win Jude over with a "Jude and Pete's Place" transformation or will Realtor Elisa find them a spectacular new vacation home that fits the bill and their budget?
