LOVE IT OR LIST IT VACATION HOMES

EPISODE 113 CHRIS & RHONDA

Rhonda and Chris can never get enough ski time at the world famous Whistler in the Coast Mountains of British Columbia. They're so committed to the slopes they teach skiing every Saturday. With the help of some inheritance money from Chris' German born mother they were able to buy their own 'fixer upper' chalet just on the outskirts of Whistler Village. Chris loves it and believes her mom would have adored the chalet's original Bavarian charm. But after 15 years Rhonda is reno-wrecked and wants to put down the tools and just pick up ski poles. Can designer Dan transform their tired chalet into a place that will invigorate Rhonda? Or will realtor Elisa move mountains to find them the perfect vacation retreat?
