LOVE IT OR LIST IT VACATION HOMES

EPISODE 106 GREG & KATHERINE

Newly-engaged couple Katherine and Greg have become divided after an impulsive decision to purchase their aging lakeside villa near the ski hills of Blue Mountain in Ontario. After only one summer, Katherine regrets purchasing this “jigsaw puzzle” of additions, odd spaces and dysfunctional rooms. She wants out in favor of an updated, modern cottage, while Greg sees nothing but its potential to become an unparalleled four-season escape from the city.
Can designer Dan bring enough order and function to this space to end Katherine's buyer’s remorse? Or will realtor Elisa show Greg the true meaning of relaxation by finding the perfect move-in-ready vacation home?
