LOVE IT «OR» LIST IT VANCOUVER

Episode # 2030
Christina and Nick

After having a baby last year, live-in landlords Nick and Christina reclaimed their basement rental suite so they could have more space. But with no interior staircase, their small house still doesn't suit a single family. Can Jillian convince Nick to stay with an extra special renovation that reconnects the separate suites? Or will Todd convince these new parents they're simply better off buying a new house?
