LOVE IT «OR» LIST IT VANCOUVER

Episode # 2031
Kavita and Sanjeev

Kavita and Sanjeev love their upscale neighbourhood, but have outgrown their dated home. With two boys in university and only one functioning bathroom, this family desperately needs more space. Kavita wants to move on, with help from Todd but Sanjeev still loves his house – especially the man-cave – and hopes Jillian can transform it into the perfect family home that can work for all of them.
