LOVE IT «OR» LIST IT VANCOUVER

JANE & DAVID

After surviving cancer twice, David, his wife Jane, and their two kids packed up and headed west in search of a healthier, active lifestyle but due to a booming real estate market they were forced to downsize. Jane is desperate for more space, and Todd is on the case – but can he convince David to move yet again? Or will Jillian breathe new life into their aging character home, and convince Jane to stay?
